

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Municipal Administration & Urban Development Department – Rollout of 4th Generation Broadband Wireless Access Services (4G) and electronic Security and Surveillance System in Andhra Pradesh by Reliance Jio Infocomm Limited – Constitution of Committee for examination – Orders – Issued.

MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT DEPARTMENT

G.O.Rt.No. 1254

Dated: 08-08-2013

Read:-

From the IT&C Dept., Lr.No. 66/IT&C/Comm/2013/07, dt: 18.07.2013.

ORDER

In the reference read above the IT & C Department have convened a meeting on 20.07.2013 on the issue of Rollout of Broadband Wireless Access Services across India and implementation of the process of deploying 4G Broadband Wireless Access Services in the State, as this will be a big technological step forward for the state and will become a catalyst for economic growth in the State in more effectively with regard to i) Electronic Surveillance ii) improved e-governance iii) Tele-education vi) improved health care using tele-medicine v) Access to information & Entertainment-anytime anywhere on any device across the state.

2. During the meeting it was informed that land is required for ground based masts poles for implementation of City Surveillance Camera network and as a Corporate Social Responsibility.

3. Another issue that come up for discussion was Right of Way (ROW) permission for laying Optic Fiber Cable using mix of HDD Horizontal Directional Drilling & Open Trenching Techniques including permission to carry out self restoration by the company concerned along with other issues.

4. The issue relating to ducting was also discussed and it was opined that ROW is conditional and not absolute or free. In case ducting is not feasible at any given place, then road cutting permission can be accorded as per rules. The cost of ducting has to be paid as rent for capital works and O & M. It was further informed that the ULBs are local self Government and only Government can formulate policies which are to be implemented by the U.L.Bs.

5. The second issue relates to lease of Government lands for locating Ground Based Masts / Towers and permission for Aerial Cabling including installation of Poles and use of existing poles (Municipal and APTRANSCO). In this regard, all sites where towers are proposed are to be inspected as per rules keeping in view of the directions of Hon'ble Supreme Court of India.

Contd...P.2

6. Government after due consideration, have decided to constitute a Committee with the following members for examining and considering the proposal of Technical, Feasibility Costing and designing of Duct.

1. Commr. G.H.M.C.	CHAIRMAN
2. ENC HMWSS & B	Member
3. C.E., HMRL	Member
4 E.N.C. (R&B)	Member
5. E.N.C. Public Health	Member
6. E.N.C. GHMC	Member/Convener

7. The Committee shall submit its report by 15th August, 2013. The Commissioner, G.H.M.C. shall take further necessary action in the matter.
